Patti,

Keith Johnson is leading DEQ's PH stormwater efforts.

Keith, Eric, Jim & Rick,

Will you please add Patti's name to the technical subgroup e-mails for Portland Harbor issues related to storm water that are sent to the government partners?

Thanks

Hi Jim,

I'm not certain if you are the correct person to respond to my request. But if you are, would you please add my name to the technical subgroup e-mails for Portland Harbor issues related to storm water that are sent to the government partners? If not, who is the contact person for these storm water issues?

If you have any questions regarding this request, please give me a call or reply via e-mail.

Thank you for your help.

Patti
